

## FAMILY HOUSE RULES

1. We talk calmly and respectfully to one another; using kind words and actions.
2. We do what we are told, the first time; with a cheerful attitude.
3. We put our toys, or whatever we are using, away when we are done using them or when we are asked to put them away.
4. We say “please” and “thank you” and use our manners.
5. We respect each other’s space and do not hit, push or poke each other. We stop when we are told to stop.
6. We ask permission before taking anything that isn’t ours; and, we return it in the same condition it was when borrowed.
